The 2022 Southwest PGA Award Winners Release

The Southwest PGA Merchandiser of the Year for Public Facilities – **Greg Adams**, PGA Head Golf Professional at Prescott Golf Club in Dewey, Ariz., is the recipient of the **Southwest PGA Merchandiser of the Year for Public Facilities**. The award recognizes PGA Professionals who have excelled as businesspersons and merchandisers in the promotion of golf. Born in West St. Paul, Minn., Adams attended Irondale High School and Brainerd Technical College (now Central Lakes College) in Minnesota. He earned his membership in the PGA of America in 2018 while he was an assistant professional at Pinewood Country Club in Munds Park, Ariz. A U.S. Army Veteran, Adams graduated first in his class from Quartermaster School in Fort Lee, Va., and served under the Army Air Defense Command. After spending a long career in the automotive industry, Adams entered the PGA PGM working at many facilities en route to earning his PGA membership. He strives to engage every customer that enters the golf shop with the best, cleanest, and most popular items. Always keeping an open mind to the customer's needs and suggestions, he believes no special order is too small or too insignificant for every customer. He attends numerous merchandise shows across the country to view new products in the market, as well as visiting other facilities to expand his operation on displays and products. He recently renovated the golf shop to ensure customers have the opportunity to pass every fixture. His complimentary club fittings have greatly increased hard good sales. He credits the training of his staff as a critical aspect of the sales growth at the facility. This is Adams' first award in the Southwest PGA.

2023 Prescott Golf Club Membership Fees

The ongoing success of the Club correlates directly to having a strong Membership base. We have developed a new package of Membership options effective January 1, 2023. Most of the options remain the same as those offered in 2022; however, the new options include a slight dues increase over the 2022 dues. We have done our best to manage the Club, as efficiently and effectively as possible, to compensate for the rising costs, many of which we cannot control. Increases in costs of food, fertilizer, gas and minimum wages are the driving factors for rising costs. The 2023 dues increase will help us keep up with some of these increased costs allowing us to continue offering you the same great Club experiences you enjoyed this past year and will allow us to continue to improve Member services, activities and course maintenance.
