November is the start of the “Holiday Season”, along with much cooler temperatures and shorter days. Sports World - Baseball playoffs are under way, The NFL Football Season, College Football and the NBA is off and going.

Huge thanks to Nick and his maintenance crew who had a big job cleaning up and being able to open the Course following the storm that hit us early October. Forty-nine trees were damaged or lost due to the high winds. Thank you to the membership and guests for understanding the large cleanup that was done. It took a little over a week of chain saw and chipping to get the Course in playable condition.

We have added a new decorative rockwork drainage outside the Club Offices
