September

During the month of August the weather was perfect for golf in the mid to upper 90's. The monsoons certainly were very active. Prescott Golf Club received a little over 10 inches of rain in August and with the rain comes turf growth. Nick and his crew have been mowing the roughs and fairways as much as possible on none wet turf condition days. The Golf Course is in great shape with lots of thick green grass.

During the month of September there are a number of outside tournaments being held at Prescott Golf Club, along with a number of Club activities for Members and Guests. September will be an excellent month to check-in at “Big Mig’s” patio for lunch, dinner or an adult beverage overlooking the beautiful Bradshaw Mountains.
