

PING “Thank You Troops” Military Rebate Program

Prescott Golf Club is excited to inform you that PING “Thank You Troops” Military Mail-In Rebate Program has been extended for another year. Since 2007 this program has provided those who are fighting or have fought for our freedom a small token of our appreciation. The Military Mail-In Rebate Program is one-way PING says "Thank You" to the troops who are making sacrifices for the cause of democracy.

How it Works:

The program is designed to make the rebate fulfillment process as simple as possible. PING processes all rebates.

Proof of Active or Retiree Military Status required to be eligible: on Purchases made from February 2, 2021 – August 1, 2021

Active, Active Reserve and Retirees (and spouses) of the United States Army, Navy, Air Force, Marine Corps and Coast Guard are eligible for the program. Eligible members must present a current military identification card to receive a rebate form. Spouses of eligible military personnel may participate in the rebate program by presenting a Spouse Military Identification card.

Rebate forms and PING serial numbers:

Following purchase of PING equipment, you will receive rebate form to be sent to PING that will include receipt from PGC, item(s) purchased along with serial number of the club(s) purchased which are required for rebate from PING.

Rebate Price from PING on PING Equipment:
