# 2023 Prescott Golf Club Membership Fees

The ongoing success of the Club correlates directly to having a strong Membership base. We have developed a new package of Membership options effective January 1, 2023. Most of the options remain the same as those offered in 2022; however, the new options include a slight dues increase over the 2022 dues. We have done our best to manage the Club, as efficiently and effectively as possible, to compensate for the rising costs, many of which we cannot control. Increases in costs of food, fertilizer, gas and minimum wages are the driving factors for rising costs. The 2023 dues increase will help us keep up with some of these increased costs allowing us to continue offering you the same great Club experiences you enjoyed this past year and will allow us to continue to improve Member services, activities and course maintenance.
