

April 2023

Spring is finally here.. (hopefully)... and with that, a season of growth and recovery is upon us. Now is the time for significant change to the course and implementation of our long planned restoration. You may have noticed Nick and his team have already started this past week with sodding areas behind number 9 green as well as the 10th and 13th tees. The 16th fairway along with the fairways on 11, 13 and 14 will also be aerified and seeded in the coming weeks, and significant efforts are planned for sodding the trouble areas throughout the course.

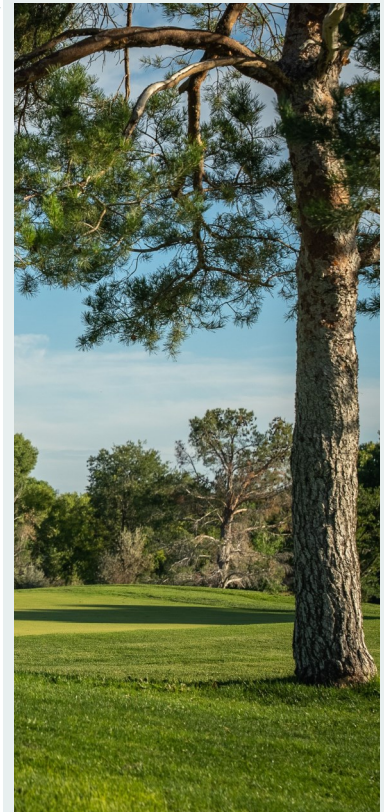

Thank you in advance for keeping your carts, and play, out of the restoration areas so that we can ensure higher quality conditions for the spring and summer. It is imperative we keep carts out of restoration areas so we are able to remove roping as soon as possible later this spring.

After some bizarre weather during the month of March, we experienced damage to the pavilion adjacent to Chip Shots, but rest assured, we are planning restoration and improvements to the pavilion this spring.

Here are just a few items to take note of during the month of April...

- More merchandise is arriving this month! Make sure to check out the Golf Shop often as great new merchandise from a variety of new brands for both Men and Women has arrived. Remember, that you as a member, receives 20% off any non-sale soft good items.
- Adjustments are being made to the tee sheet to ensure members will have first access to book the first tee times of the day. In addition, please remember, any times that are preferred blocks for league, Razz or outside play if not booked are available for anyone to book 48 hours prior to the tee time.
- A new look and feel to the Menu in Redwoods Grill has arrived, new items added and more updates to the menu just landed again this week! Make sure to check out new daily food and beverage specials, and especially Taco Tuesday this month!

We appreciate your understanding and patience during these past couple months of change, and hope to accelerate improvement at the club during the month of April. We hope mother nature cooperates and we have some beautiful weather for golf, and will see you at the club often.

BUNKER UPDATE

The PGC Superintendent, Nick Colquitt, and his staff have been working diligently edging bunkers throughout the course, in addition to finishing the update to the greenside bunker on Hole #16.

Edging will continue during the month of April, so please make accommodations to the grounds crew during this maintenance period.

GOLF COURSE ACCESSIBILITY

When requested, will be providing handicap flags to people with an ADA Card or doctors note to more easily access our golf course during course restrictions. The handicap flags are on order. Forward tees will be set to be more easily accessible where needed. The two tees specifically accessible will be the Yellow and Red tees. Please present your ADA card or doctors note to the Director of Golf or Head Professional before your round. In all instances, all golf carts must be kept at least 30 yards from the greens and out of roped off areas.

Additionally, we are looking at improved accessibility to #15 fairway.

NOTE FROM OUR SUPERINTENDENT

As winter turns to spring and Mother Nature begins to cooperate, we will continue our renovations and up keep of the course bunkers.

In the coming month we will be preparing the course with fertilizer, insecticide and herbicides to control our unwanted pests.

We are working diligently now with our sand and seed beds on the tees and fairways and will continue with this and sod on some areas to improve playability. These areas will continue to be roped off to ensure we do not have traffic on these areas during restoration and we ask you to stay on the paths and follow all signs and ropes for direction of travel.

As soon as mother nature cooperates, you will notice that a few of the fairways starting with the 15th hole, will be aerified, fertilized and seeded to stimulate as much growth as possible.

We look forward to being able to improve the course conditions and overall member experience at the club in the coming months.

Thank you all in advance for your cooperation and patronage at Prescott Golf Club.

GOLF CART RESTRICTIONS

A friendly reminder from the Golf Shop and Maintenance Crew: when approaching greens in the golf cart, travel in the direction that the cart sign points to. Never approach greens past the cart signs, in the opposite direction that the cart signs point. Please follow the 90-degree rule at all times. Never go past the cart signs, even if you are in the rough. When the course is cart path/rough only take the route that the cart path is on.

Our Rangers, Guest Service, Maintenance staff, and Golf Shop staff will be continually monitoring the course throughout the day to assure the policies are being followed. Any violation of the cart policies will be given a one-time warning. Second violation will be loss of playing privilege for one week. The third violation will be addressed directly by the partnership group.

Thank you for your assistance on these policies.

WHAT'S NEW @ REDWOODS GRILL

A new look and feel to the menu is here and is changing seasonally. Look for daily specials, and new items that have been added for the month.

We have also had a great start to Taco Tuesday, which will be a staple for the month of April. Tacos are al-a-carte with great options such as chicken, beef, fish and shrimp but can change weekly depending upon demand.

Watch your emails for further updates during the month of April!

LEAGUE AND RAZZ DAYS IN APRIL

In the effort to increase availability for all membership to book throughout the week, we reduced the number of tee time blocks for Men's League, Ladies League and Razz.

Both Men's and Women's league will be played two times a week in April, Tuesdays and Thursdays, and have associated blocks each day. By doing so, this will alleviate blocks on Wednesday and Friday during mid-morning.

Razz will continued to be played Monday, Wednesday, Friday and Saturdays starting at 12 pm. This will allow other members prime mid morning times from 11 am–12 pm.

Any tee time in any of the group reserved blocks that is not reserved 48 hours out will be released to public and other members alike to be able to book.

Men's League for April

- Tuesdays 9:37 am–10:33 am
- Thursdays 8:33 am– 9:29 am

Women's League for April

- Tuesdays 8:33 am–9:29 am
- Thursdays 9:37 am–10:33 am

THE 2023 MOUNTAIN CARD

Another great option for Golf in 2023.

The Mountain card is available on a limited basis for 2023,...

- Preferred rates for 2023
- Free round of golf with purchase
- 5 day advance booking
- 10% discount on non-sale soft good merchandise

So if Membership doesn't quite fit with how often you play, make sure to purchase while they are still here.

Available in the Golf Shop while supplies last.

Razz

Monday, Wednesday, Friday & Saturday

- From 12pm to 12:40pm

FITNESS CENTER

For all you fitness buffs....A new commercial grade treadmill has been installed.

Additional items have been identified in the effort to continue to upgrade the fitness center in the coming weeks.

NEW MERCH!

Make sure you check out the Golf Shop for the new clothing arriving during the month of April!

Don't see your size? Just ask in the shop and we can place a special order for what you would like.

*PGC Members receive 20% off Soft Goods in the Golf Shop**
**20% off Soft Goods on non-sale items only*

UPCOMING EASTER BRUNCH

Make sure to book your reservation early at Redwoods for Easter Brunch this year!

With buffet menu options featuring smoked salmon, carving station with prime rib, grilled mahi mahi, omelet station, and much more, reservations will go quickly.

Please call 928-772-8812 to reserve your table today!

REMINDER: MEMBER BOOKING PARAMETERS

Through discussions with members and staff, it appears there are a number of members that have had difficulty getting tee times during prime hours of the day. In addition to alleviating some blocks with the league and Razz play, we have discovered that some parameters for member booking needed to be put in place going forward:

- **A limit to 4 future tee time bookings** in total at any one time
- **A limit to a booking of 1 tee time with 4 players** for every member per day (unless playing 36 holes). If more than 4 players are requested, either a separate member must make the booking, or you can request via Greg Adams with all names of the players.
- **Names for each player are required** and whether the player is a member or guest.
- **24 hour cancellation policy.** If a group does not cancel or reduce the number of players not going to be playing prior to 24 hours, a \$45 cancellation fee will be billed to your account per player booked. *Accommodations may be made for adverse or extenuating circumstances including weather.*

In an effort to provide better customer service in the golf shop by reducing phone calls for bookings; we would encourage you to book through the member portal on the website instead of calling the club if possible. If you need help with a login, or directions on how to book through the member portal, please contact Greg Adams, or one of the Golf Shop staff for assistance.

MEMBER ACCOUNTS

Continuing to stem the list of member account receivables, we will be implementing new conditions for all members starting March 1, 2023 through April 30, 2023.

2 Free Guest Rounds for adding ACH

For any member who adds a credit card or ACH to their member account during the month of March, they will receive 2 Free Guest Rounds for 2023. (Only applicable to members who currently do not have a credit card or ACH account on file). Credit cards/ACH will be automatically billed monthly for any monthly dues or purchases charged to their account during each month.

Overdue Accounts

- Any past due accounts as of March 1, will be fully suspended from play, booking and practice privileges until full payment is received.
- Past due accounts not paid by the 15th of the month will be suspended pending payment.
- If a member is either 30 days past due, or has their account past due twice in the calendar year, membership will be suspended until full payment is received along with either ACH or credit card to be automatically billed monthly for any charges or purchases going forward.
- 18% interest will be charged on past due accounts on the 16th of each month.

If you have financial issue, please call Pam Morris at the club to make arrangements.

GREEN RECOVERY...

As you may have seen, there had been some damage to the back of the 16th and 18th greens during the fall of 2022.

Nick and his team are continuing to implement ground under repair in these areas, and as the ground temperatures hopefully gets warmer this month, we will be able to see more growth and will be able to address these areas more aggressively.

In the meantime, please play these areas as ground under repair and limit walking on these areas.

FORWARD TEES...

In February, we tested a handful of forward tees, with mixed feedback from members.

The forward tees will continue to be periodically placed on the right side of the 15th fairway.

Considering the length of the hole, we will be using this position as a tee periodically. The hole distance will be noted in the golf shop, but in general the 15th hole will play between 100 and 115 yds from the fairway tee.
