

# May 2023

## SPRING IS FINALLY HERE!

We have had some significant change in the past month...

With some beautiful weather upon us, we have finally been able to see some growth again along with the bright blue skys and more play on the course during the month of April. May will hopefully continue along the same path and allow us to continue to improve on and off the course. Redwoods Grill has changed menus, implemented daily specials and launched Taco Tuesday....which has turned out to be a hit.

It was bitter sweet to see our Director of Golf, Greg Adams, decide to transition to retirement during the month of April. We were grateful for all of his dedication to PGC and its membership, along with the changes he implemented and leadership he provided for the golf staff. We wish him the best in the future.

In turn, we are excited to bring Mark Fenech to our team as Director of Golf for Prescott Golf Club moving forward. Mark brings significant experience to PGC in roles as a Head Professional, Merchandiser and Director of Instruction. After just a few minutes with Mark, it is very apparent to see his passion for golf, and we are excited to see the impact he will make at PGC this season.

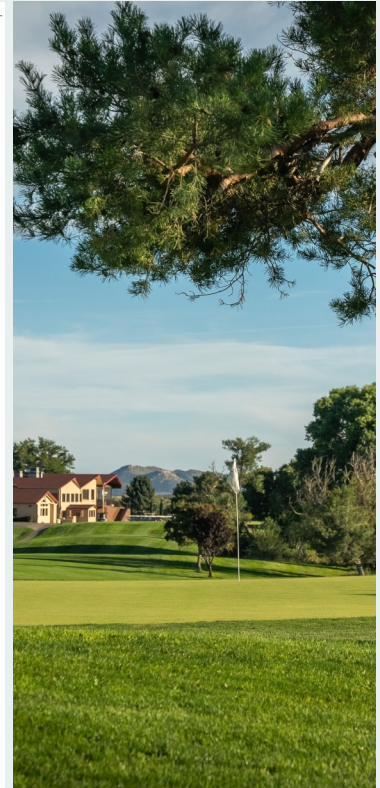

We have seen some significant improvements made on the golf course in the past few weeks; from areas of new sod, aerified and seeded fairways, practice bunker renovations and faster and firmer greens. Much work is still planned for the month of May, and we hope that in the near future you will be seeing less stakes and roping around the course. Please make sure that you continue to assist in staying out of these rehabilitation areas.

In addition to the golf course improvements, we have continued working on the plans for rehabilitation of the pavilion, and hope to see construction commence shortly.

Our first ever Member Appreciation Day is May 25, 2023. Mark your calendars and keep an eye out for details coming soon via email, as well as posted in the Golf Shop. We look forward to offering some of the best deals on merch this spring, drinks, appetizers and more, to thank you all for being a part of Prescott Golf Club.

We look forward to launching a number of new initiatives over the month of May, and hope to continue to improve your experience at PGC.

Hope to see you at the club often.

Treat Mom to a morning at Redwoods Grill. Please Call for Reservations.

## A NEW DIRECTOR OF GOLF ARRIVES....

*Thank you for the warm welcome to the Prescott Golf Club*

Hailing most recently from Capital Canyon, Mark Fenech has recently joined the team at PGC to lead golf operations as the Director of Golf.

In addition to leading golf operations on site, Mark will be offering fittings, golf schools, clinics, as well as 1-on-1 instruction. The schools are generally kept small for a more personal environment. He is your personal coach/instructor. As a seasoned and trained club fitter all your equipment questions can be solved.

He can organize corporate group lessons, family group lessons or 1-on-1 instruction. Whether you are trying to get a college scholarship, trying to play professionally, or just want to improve your personal club game, He can help bring peace, balance, and focus to your game.

### **POOL OPENS MAY 20TH!**

Make sure to get your pool memberships before pool season opens May 20th!

The pool area will be re-keyed for the 2023 season. Notice will be sent via email to all members needing pool access once the new keys are available for pickup.

Due to the number of keys that went missing last year, we will be requiring a deposit of \$25 per key, that will be refundable at the end of year once the pool key is returned to the Golf Shop.

Mark lives with his wife, Kelly and they have a Bernese Mountain dog named Tara currently on a small 4 acre lot where they enjoy small crop farming, discovering the outdoors in the very north side of Prescott Valley on the west side of Mingus Mountain.

### **Tour Pros**

Mark has worked with several touring professionals and PGA professionals. His players have won on the PGA Tour, Web.com Tour (formerly the Nationwide Tour), LPGA and mini tours.

### **What's in my Bag**

The clubs that I am using for this season are all made by PING. I have had the good fortune to be affiliated with PING for over 20 years now. The i525 forged irons are very good looking as well as very user friendly. The feel of the clubs is exactly what you would expect from the top equipment engineering company in the game. As well, the off-center hits are very productive for a what we call a player's iron and allow you to play your best!!

## GOLF COURSE REHABILITATION

The sod and seeding project is ongoing on a number of areas of the course. Many small areas have already been completed in the past few weeks as well as larger areas such as behind #9 green, adjacent to #6 green as well as #5 green/#6tee.

In addition to our sod projects, a few areas have been aerified, re-seeded and fertilized such as the #11, 13 and #16 fairways as well as the rear portions of #16 green and #18 green.

Nick and his team will be working in the direction of the 15th green and have identified other areas on the back nine to be targeted with sod and/or seed in the coming weeks. Please make sure to stay out of any of the rehabilitation areas that have been roped off and/or marked with paint. These areas are to be played as ground under repair until the roping has been removed.

### **Irrigation and Drainage Projects**

New perimeter irrigation heads have been installed around #10 green for improved turf conditions, and a similar project is planned to begin on the #9 green in the coming weeks.

We have received our new trencher and are planning to address a few drainage issues shortly including the low marsh area near #6 green as well as the approach area on #18 fairway.

### **Spring Aeration**

To reduce the impact to play during the beautiful weather in late spring, no large core aeration will be done on the greens this spring/early summer season. We will be aerifying monthly using ninja tines, which have almost no impact to play, to help with turf conditions. The team will also be vertical cutting the greens monthly through the season as well.

Reminder: please stay away from the tees and greens with carts, and to follow all signage on the course. Our team will be monitoring the golf course for the unlikely event that any players do not abide by these parameters. We are sure that all play, both members and public alike, will be accommodating to the efforts made to improve the course.

Thank you all in advance for your continued cooperation and patronage at Prescott Golf Club.

### **GREEN RECOVERY...**

As you may have seen, there had been some damage to the back of the 16th and 18th greens during the fall of 2022. With the weather finally improved, we have been able to aerify, seed and fertilize these areas. We expect to continue to see significant improvement in the next few weeks.

### **PAR 3 CARTS...**

Considering the landing areas and length of a number of our par 3s at PGC, and at the request of many members...

We have moved the cart signs and roping on some of the par 3 holes; such as #3, #12 and #15; so that players are able to drive on the fairways on the par 3s UP TO & NOT BEYOND either the rope and/or the directional cart signs.

Please keep all carts outside of any ropes, and before any directional cart signs.

## WALKING & DOG WALKING ACCESS ON THE COURSE

In the past, PGC ownership has generously allowed walking access to community residents ONLY after operational hours of the golf course.

It appears that the rules implemented, as seen on the sign to the left, have been abused as of late, with a number of individuals seen walking and/or walking their dogs while golfers are playing.

In a number of instances, walkers have been seen on the course during operational hours have impeded play, and in some

instances not cleaned up after their dogs etc.

PGC will continue to allow community residents to walk BEFORE or AFTER operational hours ONLY, and only when there are no golfers on the course.

We would assume that this is a small group of people that happen to not be following the guidelines, and hope that we are able to continue to allow access after hours for walking...

**HOWEVER** if non golfers continue to not follow the rules posted in the future, and continue to impact operations, access will be removed.

*PGC Members now receive 20% off Soft Goods in the Golf Shop\*  
\*20% off Soft Goods on non-sale items only*

### NEW CLOTHING, HATS, GOLF BALLS, & PING FITTING CART

Make sure to stop by the Golf Shop to check out all the new arrivals!

Hats, Shirts, Shorts, New Titleist and Callaway Golf Balls, Footjoy shoes, new bags, purses and more.....

Need some new sticks? Or a few extra yards? Make sure to book your fitting with Mark Fenech for the brand new Ping irons and woods.

# Member Appreciation Day is Coming!

## May 25th, 2023

## Drinks - Deals - Appetizers

## More Details Coming Soon!

## PRACTICE BUNKER UPDATE

The PGC Superintendent, Nick Colquitt, and his staff have recently initiated a renovation to the practice bunker on the south side of the range: with fixes to our current drainage and new sand being added.

**Completion is set for May 5<sup>th</sup>**

## NEW PIN FLAGS

As you may have noticed this past weekend, we have just replaced our pin flags for the season with a red, white, and blue color scheme to coincide with pin locations. We will continue to use the number system for pin locations as well. #1 will be a Front, Middle, Back rotation, #2 will be a Middle, Back, Front rotation, #3 to be a Back, Front, Middle rotation.

Flag Color	Pin Position
Red Checker	Front
White checker:	Middle
Blue Checker	Back

# 2023 Seasonal Membership

## JOIN US FOR SIX MONTHS OF GREAT GOLF

Only in the Prescott area for the summer months?

Our Seasonal Membership provides flexibility in choosing the six (6) months that you would like your membership active. Benefits include:

## WHAT'S GOING ON AT REDWOODS GRILL

### Taco Tuesday Continues...

We have had a great start to Taco Tuesday, and will continue through the month of May. Make sure to stop in and try the tacos – Beef, Chicken, Veggie, Fish or Shrimp. Have either Soft Corn, Crisp Corn, soft Flour or Lettuce Wrap Tacos.

### Mother's Day Brunch

We are taking Mother's Day Brunch Reservations – All the Brunch favorites will be available from Fruit, Smoked Salmon, Made to order Omelets, Sliced Bistro Tender of Beef, Grilled Salmon,

Honey Glazed Ham and LOTS of Desserts –

check out the full menu **on page 7 ...**

and make your reservations soon.

### Menu Changes Coming June 1<sup>st</sup>

Even more menu changes are on the way...

We will have some great new additions to our menu for Summer! Shrimp Ceviche always goes great for a summertime appetizer and will be back again this summer!

### Chip Shots

Chip Shots will be opening at 7:00am to be available for the earlier Tee Times. Enjoy one of the newly revamped Breakfast Burritos, a Breakfast Sandwich, Muffins, or Coffee for a great start to your day!

Make sure to take a look at the turn to grab a quick bite or a drink, as with the better weather, the 'Chip Shot's Grill is Open' sign will be out more often.

### CHECK OUT THE PATIO

We have finally seen some beautiful weather these past few weeks –

### The Patio is Open Daily

TVs are on...

Music is playing...

Come join us outside on the Redwoods Grill Patio and enjoy some great food, a drink and enjoy the beautiful view of the Bradshaw range!

### UPCOMING MOTHER'S DAY BRUNCH

Make sure to book your reservation early at Redwoods for Mother's Day Brunch this year!

Treat Mom to a great brunch at PGC. Reservations are going quickly.

Please call 928-772-8812 to reserve your table today!
