

August 2023

MORE EVENTS ARE ON THE WAY!

August seems as though it will be a month of new events, new merchandise and sales, an updated Pavilion and hopefully some great weather.

We had a few new events during the month of July that despite some warm, dry, very hot weather, we had some great success. **Our first PGC Flag Event** had a great turnout July 4th. Thank you to all who participated. It was fantastic to see so much enthusiasm for a new event from a number of members, as well as great music and food afterwards.

The first ever Classic Car Showcase & BBQ, hosted by the Prescott Valley Republican Women, had some beautiful cars, great food, and a very good crowd considering a very hot day. With such a well received event and the initial success, we are looking at hosting another similar event this fall. Check out the 'Car Show Memories' from the day on page 4.

We are excited to announce Couples Date Night starting this Sunday night @ 3:30pm, August 5th; Enjoy 9-holes with your significant other starting at 3:30pm and a specially crated Italian themed dinner at RedWoods. For more information see page 7, or register in the Golf Shop as there are limited spots.

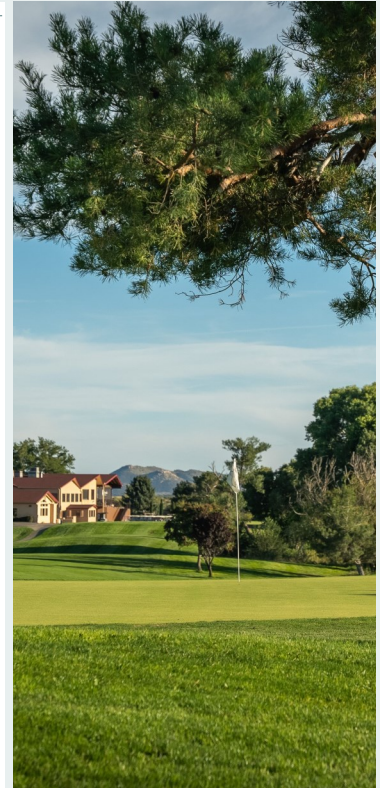

Building on a great Ping fitting Day in late June, the Titleist fitting team will be here on August 10, 2023. Currently there is only 1 fitting spot left at 10am. If you would like to schedule a fitting please contact Mark directly. Make sure to take a look at the new Ping women's GLE products that have just been released as of July 27th, as well as our great merchandise sales this month. For more information go to pages 8-9.

We have continued to make some very good strides in playability in course conditions due to the dedicated work by Nick and his team despite the very hot, dry weather. An ongoing current focus has been dedicated to ongoing fixes and adjustments to the irrigation system along with developing further plans for oncourse improvements over the next few months. For more information refer to pg 3.

Mark has continued to have great turnouts for Sunday clinics during the month of July.... But Sunday clinics are filling fast. Please make sure to book your spot early in the Golf Shop for the upcoming Clinics. or contact Mark directly for any openings or personal lessons. Look to page 6 to Coaches Corner for the upcoming clinics planned this month with Mark.

We look forward to what will hopefully be a beautiful month of August.

Hope to see you at the club often.

GOLF COURSE REHABILITATION

Our Progress this Past Month

Rehabilitation has continued during the month of July with a focus on drainage, irrigation and disease control. With the very dry and hot weather we have had, and the move to a more firm, faster golf course, we have been able to identify a number of areas for irrigation adjustments moving forward in the hope to continually improve course conditions in the variety of weather conditions we face in the greater Prescott area. These ongoing adjustments and fixes will require a significant effort over the course of a few months to accomplish.

Recently, Nick and his team have replaced a significant number of sprinkler heads on the course, and will continue the project through the month of August. Please continue to give the team leeway during any fixes, and it would be much appreciated to thank the team for all of there continued efforts if you have the opportunity.

With summer in full swing and what seems like monsoon storms looming, we will continue our disease control strategies in the coming weeks throughout the course to proactively prepare the turf.

In addition to the ongoing on-course rehabilitation, the practice bunker at the south end of the range has been completed for all to enjoy. We are currently working on continued strategies for oncourse improvements this fall.

Drainage Projects

We have seen significant improvement to the landing area on the 18th fairway due to the drainage project completed in late June and expect continued improvement to playability in the coming month. There are still some roped off areas while the turf heals fully, please make sure to stay out of these areas and ground under repair areas so that these recently fixed areas can heal and provide great playing conditions in the future.

PAR 3 CARTS...

Please make sure to keep carts 30yds from Greens

Considering the landing areas and length of a number of our par 3s at PGC, and at the request of many members...

We have moved the cart signs and roping on some of the par 3 holes; such as #3, #12 and #15; so that players are able to drive on the fairways on the par 3s UP TO & NOT BEYOND either the rope and/or the directional cart signs.

Please keep all carts outside of any ropes, and before any directional cart signs.

PAVILION UPDATE

We are in the final stages of completion of the rebuild/restoration of the pavilion project. With the estimated finish date early this month, we will be planning a ‘Pavilion Reopening Party’ tentatively slated for later this month.

Please keep an eye out for save the date emails and flyers with firm dates and plans in the coming weeks.

WHAT'S GOING ON AT REDWOODS GRILL

The month of July has been a continued success for the team at Redwoods Grill especially with events, daily specials and staples like Taco Tuesday. It has been great to see many new faces in the restaurant and on the patio and continued great reviews.

Although there have been a few small changes with Chip Shots operations to accommodate construction of the Pavilion the past few weeks, we look forward to normal operations going forward for the month of August.

Fall groups & Holiday Parties

Now is the time to book your Holiday Event, or Dinner at Redwoods. We are continuing to receive requests for bookings for the month of December...

Make sure you book your event early to ensure availability. Call Ron Moler to book – 928-772-8984 x 4

As an addition to the August Newsletter, we are excited to offer a 'Recipe of the Month' from the team at Redwoods.

REDWOODS RECIPE OF THE MONTH:

ASIAN BEEF AND BROCCOLI SOUP

Approx 6-8 servings

1 small yellow onion – small diced

1 carrot – peeled and small diced

1 TBSP Sesame oil

2 cloves chopped garlic

4 cups broccoli florets – cut into bite size pieces for soup

Approx. 4 cups diced beef – small bite size pieces for soup

Approx. ¼ cup beef base or bouillon mixed with 2 quarts hot water (hot water will help the base mix thoroughly)

1 cup soy sauce

½ tsp ground ginger

½ bunch chopped Cilantro – washed

Method:

In large stock pot heat Sesame oil and lightly sauté onion and carrot for 2 minutes. Then add beef and sauté for 2 more minutes. Have beef stock ready and close by then add chopped garlic and sweat for less than 1 minute as to release aroma but not burn the garlic. Add the beef stock and bring to a boil. Reduce heat to medium, gently boil to cook the meat and soften. Add the soy sauce and ginger and let simmer for 15 minutes. Add the chopped cilantro and taste for salt. To add salt if needed, you can add soy sauce or beef base. (Soy Sauce and beef base is very salty)

Enjoy!

CHECK OUT THE PATIO

We have seen beautiful weather these past few weeks and forecasts are continuing to look great to spend time outdoors....

The Patio is Open Daily

TVs are on...

Music is playing...

Come join us outside on the Redwoods Grill Patio and enjoy some great food, a drink and enjoy the beautiful view of the Bradshaw range!
